Swanson and Tucker Scheduled for Great Meeting.

TWO MORE LIVERPOOL LINERS

Councilman Jailed for Contempt and Policeman Discharged.

(Special to The Times-Dispatch.)
NEWPORT NEWS, VA., October 30.—Wednesday night the Democrats of this city will have a final rally at the Casino Theatre, and Congressman Swanson will be the principal speaker. To-day chairman J. C. Phillips telegraphed to Harry St. George Tucker, president of the Jamestown Exposition Company, inviting him to be here and address the final rally with Mr. Swanson.

Unusual activity on the part of the Republicans has aroused local Democratic leaders, and every effort is being made to get the voters interested. The indications are that a tight vote will be polled here, and that the majority over the Republicans will be smaller than it has been in any election held since the incorporation of the city.

It was announced to-day that Furness-Withy & Co. will shortly put two new ships on the line between this port and Liverpool. The United States Shipping Company has chartered the British steamship Reynolds for a new line to be established between this port and Liverpool. An enormous increase in the export and import trade of the port makes the new ships necessary. As previously stated, the Chesapeake and Ohio Grain Elevator Company will reopen its elevator B next week.

Ex-Councilman Joseph Hagan was jailed for contempt of court this morning. Hagan was in the Police Court on the charge of disorderly conduct, and he refused to keep quiet during the trial of his case. The case will be called again to-morrow morning.

Police Officer J. J. Holzbach has been dismissed from the force for drunkenness and conduct unbecoming an officer. Holzbach went on a rampage Friday night, and the commissioners disposed of his case quickly at the request of Chief Reynolds.

(Special to The Times-Dispatch.)
BUCKINGHAM, Va., October 30.—Miss Leahy, of Richmond, who has just concluded a trip of a local visit in physical culture, is quite sick at the Mayville Hotel, though thoroughly convalescent.

Dr. H. O. Forbes has decided to locate finally in Amelia county. He is thoroughly equipped for the practice of medicine, and a very pleasant gentleman, and many friends in this, the home of his boyhood, wish him the most abundant success.

Professor A. L. Bonard, who holds the chair of Latin and Greek in the University of Mississippi, has returned to his duties after a protracted visit with his parents, Hon. and Mrs. A. J. Bonard, of this county. His stay was prolonged because of the quarantine regulations made necessary by the vigorous efforts of the Mississippi authorities to suppress the ravages of yellow fever.

Hon. V. S. Lynch, of Buckingham, W. Va., who has been here some weeks assisting in the organization of the Buckingham Bank and some other extensive local enterprises, will leave to-morrow or Monday for a short visit to his Maryland home. He will return to Buckingham in about two weeks.

Campaign matters in Buckingham are very quiet on the surface, but both parties seem to have organized a very energetic still-hunt. The Republican managers are particularly active, and apparently have a first-class organization.

Mr. J. H. Kidwell, of Parkersburg, W. Va., one of the promoters of the Buckingham Bank, has with his associates organized a new bank at Cumberland. His brother, Mr. J. W. Kidwell, a very competent and thoroughly trained young banker, will be cashier of the new bank.

Mrs. R. M. Anderson, of Andersonville, has been the guest this week of Richmond friends.

Mrs. S. J. Fisher, proprietress of the Mayville Hotel, will spend next week in Richmond, the guests of the family of ex-Master Russell and other friends.

Mr. A. P. Crist, of the United States navy, is spending a few weeks with Buckingham friends. He is an accomplished musician, and his visit is a delightful diversion to local society.

Mr. Wiley Haskins has this year harvested a remarkably fine crop of Buckingham apples. They are a credit to the productiveness of the county and have reached a very wide market.

One new store is under way, another is in contemplation, and the Masonic fraternity are discussing the propriety of building a hall of their own.

HOPKINS, 29; R.-M., 6.

The Methodists Took Their Defeat Gracefully.

(Special to The Times-Dispatch.)
ASHLAND, VA., October 30.—The Randolph-Macon football team returned to-day on Saturday train, arriving at 1:35 P. M. from Baltimore, Md., having met the Johns Hopkins team in a game there Saturday. Randolph-Macon was defeated by the score of 29 to 6. The Johns Hopkins team averaged twenty pounds more per man and were two heavy for the boys from Virginia. As the Hopkins team is composed largely of star players from the leading colleges and universities of the United States, who do excellent team work, the Randolph-Macon boys take their defeat very gracefully. An unusual feature of the game was the passing of the ball to the full back of Johns Hopkins, which struck him in the chest and bounced high and over the line into Randolph's hands, who quickly made a long run around Johns Hopkins' end and scored the only six points made by Randolph-Macon. Johns Hopkins scored the last touchdown in the second quarter. The following team for Randolph-Macon were sent to Baltimore: James, Sylvester, Harrison, Winder, Davis, Woodhouse, Jernigan, Owens, Davis, Walters, Bredendish, Harlan and Randolph.

Randolph-Macon will meet Washington and Lee University next Friday afternoon on the campus here in an exhibition game of foot-ball.

Brown, two years; a attempted train wrecking, and Leonard Pondexter, three years for stealing watches and jewelry.

RIXEY SLANDER SUIT SETTLED OUT OF COURT

Mr. Stevens Makes a Public Apology Through Counsel.

(Special to The Times-Dispatch.)
ALEXANDRIA, VA., October 30.—A compromise was reached this afternoon in the libel suit of Representative John F. Rixey against C. A. Stevens for damages in the sum of \$30,000, in the United States Court, Judge Waddill presiding. During a recess counsel for both sides got together, and when court reconvened it was announced that an agreement had been reached. Counsel for the defendant presented a written apology from Mr. Stevens to Representative Rixey, in which he stated that he was convinced that none of the charges which he had made against Mr. Rixey were true, and admitting that he had done Mr. Rixey great injustice and wrong.

"Accordingly," he said, "I am now willing to make such apology, retraction and reparation as is in my power, and therefore withdraw each and every charge of misconduct made by me against you, and hereby not only retract, but apologize, for even having made the same."

He said further that he would make the same statement to all to whom he had made the charges in question. The letter was formally accepted and the court entered an order to that effect, ordering that the papers be entered upon the records and that all the costs of the case be borne by the defendant.

A similar letter was addressed to Mr. C. Jones Rixey, whose suit for the same amount and on the same ground, was set for a hearing at the conclusion of the other case.

Republicans Active.
(Special to The Times-Dispatch.)
BOWLING GREEN, VA., October 30.—The Republicans are making an active canvass in Caroline county. Saturday night, Charles H. Wilson, of Rockledge, spoke in the courthouse to a small crowd. He said Judge Lewis would come across the mountains with eighteen or nineteen thousand majority, and to overcome that the Democrats on this side would have to stuff the ballot boxes.

Caroline is safely Democratic, but the Republicans are making an active canvass, having speakings in a number of places in the county.

Petersburgers to Put in Bids for the State Printing.

VIRGINIA DRY GOODS COMPANY

Neither Gubernatorial Candidate Has Spoken and Petersburg Feels Slighted.

(Special to The Times-Dispatch.)
PETERSBURG, VA., Oct. 30.—Eddie Jones, seventeen years old, son of Mr. R. J. Jones, fell down an elevator shaft this morning at the store of J. W. Thomas and Company, and, though found unconscious, was soon able to walk to a physician's surgery, in front of the store, and be driven to his home.

Mr. Jones fell from the first floor to the cellar.

Bids for State printing may be put in by several of the local printing establishments.

The charter of the Virginia Dry Goods Company, a new Petersburg corporation, has been recorded in the office of the clerk of the courts.

The company is empowered to conduct a wholesale dry goods business, with capital of not less than twenty-five thousand or more than seventy-five thousand dollars. Well-known business men from Petersburg and neighboring counties compose the company with the following officers: J. E. Young, of Ford's, president; S. S. Elliott, of Petersburg, vice-president; C. T. Wilkinson, of Matine, secretary and general manager; Besides the officers, Joseph Lambert, of Brunswick county; A. E. Rainey, of Disputanta, and John T. Pace and John P. Williams, of this city, form the directorate.

Neither candidate for the governorship has been heard in this city since the Democratic primary, and it is hoped that both Mr. Swanson and Judge Lewis will address Petersburg voters before the election, although no appointments to that effect have been announced.

PLAYS CANCELLED.
Stage Hand Supposed to Be Burned Accounted for.

DANVILLE, VA., October 30.—No clue has yet been obtained in connection with the burning of the Academy of Music, which was destroyed by a mysterious fire Sunday morning. Jim Robertson, one of the stage hands, who has been in the habit of sleeping in the theatre, under the stage, and over whom some unusualness was felt, has been accounted for.

Robertson was at his home in this city, sick. On account of his non-appearance at the fire it was feared that he had perished in the flames.

Mr. E. L. Melton, who had leased the playhouse for this season, has cancelled all engagements. He has shown companies, being no other place in the city suitable for them to appear.

The Crack-A-Jack Company, which was to play here every night this week, arrived Sunday, but immediately left for Reidsville. Mr. John B. Wood, one of the owners of the burned building, is undecided whether he will rebuild.

Rev. A. J. Ramsey Leaves and Takes Prominent Members.

(Special to The Times-Dispatch.)
NORFOLK, VA., October 30.—A split occurred in the congregation of the Berkley Avenue Baptist Church, when the Rev. A. J. Ramsey left last night and thirty-five ordered their names erased from the church roster.

It was announced at the conference last night that the retiring members would build a new church, which will be in charge of Rev. A. J. Ramsey.
